

Disclosure Statement of Financial Relationships

Title:	Advances in Neonatal-Perinatal Medicine
Date:	September 29, 2021
Location:	Virtual

It is the policy of the Children's Hospital of Philadelphia (CHOP), Continuing Education (CE) and Nursing Professional Development (NPD) departments to insure balance, independence, objectivity, and scientific rigor in all accredited CE activities. In addition, all recommendations involving clinical medicine presented in a CE activity must be based on evidence that is accepted within the profession of medicine as adequate justification for their indications and contraindications in the care of patients' standards of experimental design, data collection and analysis.

The following faculty/presenters have disclosed a relevant financial relationship with a commercial interest:

<u>Guest Faculty</u>	<u>Type of Financial Relationship</u>	<u>Name of Commercial Interest</u>
